SEAFOOD
From the Chesapeake Bay to the Elizabeth River, Norfolk is surrounded by water. This directly correlates to the abundance of fresh seafood available in our restaurants. You can find seafood in almost every form including deep-fried, raw, baked and sautéed. Check out Saltines, Strippers and Longboards at East Beach.

NAUTICUS AND BATTLESHIP WISCONSIN
Explore Nauticus, a fun and exciting interactive science and technology center exploring the power of the sea. It features more than 150 exhibits, films and exotic aquatic life. The Hampton Roads Naval Museum, located inside of Nauticus, introduces you to over 200 years of naval history in Coastal Virginia. Lastly, discover Battleship Wisconsin, the largest and last battleship ever built by the U.S. Navy.

Take in the city sights from one of Norfolk’s rooftops. Check out Grain, a rooftop beer garden, that offers live music performances, fire pits to cozy around and an everyday happy hour. Overlook historic Granby Street while enjoying classic Italian fare at Leone’s or dine at sunset overlooking the bay at Ocean View Fishing Pier.
